

Activity: Competence Building Activity #8: How to Present Slides

Example 1: Managing Performance: What Works?

II. Identifying Performance Problems

- NPT = Measurable Goals and Current Performance; Analyze Cause of Gaps, Solutions; Implementation & Assessment
- We defeat process by not analyzing the cause of gaps
- We impulsively select solutions that 2/3 of the time either have no result or make things worse

This has too much text, and will likely lead to you reading your slide.

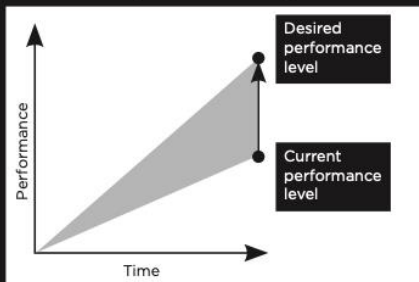

II. Identifying Performance Problems

- NPT = Measurable Goals and Current Performance
- Gap Analysis
- Best Solutions

By following the 6x6 guideline, you will have the opportunity to talk about the topic, rather than read to your audience.

Example 2: Understanding the Gap Analysis

Gap Analysis

Showing a graph will help your audience visualize and understand your message.

Gap Analysis

Showing a picture will give you an opportunity to tell the story rather than read to the audience. audience visualize
